IBIZA - Formentera, by Patrick Neil

Famous Bodyguard Patrick Baiata from P-Guards again in Ibiza

Patrick Baiata (CEO & FOUNDER of P-Guards in Switzerland) also known as the star bodyguard has once again chosen Ibiza as main destination for his holiday break after a full and stress-full year of work.

Baiata has spent a nice week upon invitation of some of his star friends such as Ray Slijngaard (2 Unlimited), Patricia Paay, Jim Iskes or Lil Kleine. Visiting and having fun in Ibiza's iconic places such as Pacha Club, Ushuaia Club... or simply enjoying the great beaches and nautical sports Ibiza have to offer.

Baiata has been enjoying his holidays with his best friends, but never forgets about his work, and was seen solving some tricky situation involving some paparazzi's trying to take advantage on his good friend Ray Slijngaard, protecting him from some *inconvenient people magazine's* "(un)professionals".

1. Despite being in holidays, Baiata does not forget about work.
2. Enjoying some sunshine with good friend Ray Slijngaard, famous member from 2 Unlimited band.
3. Patrick Baiata practicing one of it's favorite sea activity... Jet skiing.
4. Work or fun? Patrick Baiata with well known Dutch singer Lil Kleine.
